A Safer Start to Your Adventure

Immunization Submission

All incoming students must meet the State of Iowa immunization requirement outlined on the Student Health website at CycloneHealth.org/submitimmunizations.

Once you have gathered your documentation, log in to the [immunization submission site](#) to meet your immunization requirement.

Failure to meet the immunization requirement will interfere with your ability to register for classes the next semester.

AlcoholEdu

Beginning July 1st, all incoming freshmen will be required to complete the online alcohol prevention program, AlcoholEdu.

Student Health Ctr

2. Click Student Health Ctr in menu to the left.

Click Student Health Ctr in AccessPlus when the program becomes available. You must complete the program by July 31st.

More information about AlcoholEdu can be found at CycloneHealth.org/prevention/alcoholedu.
